Floors & More: Lifescape Designs Carpet Brand

Lifescape Designs® styles have carpet warranties that are enhanced by the manufacturer. The manufacturer warrants that the Lifescape Designs® carpet styles will remain stain-resistant to common household food and beverage substances for 15 years from the date of the original installation in an owner-occupied residence in a proper indoor installation. The warranty is not transferable and is limited to the original purchaser. These warranties apply only to carpet installed in owner-occupied residential space in which the Lifescape Designs® carpet was installed by a Floors & More LLC member's authorized independent installer. For the first five years of the warranty, should your carpet not perform according to the warranties for the term of your warranty, the affected area will be replaced with the same carpet, or if no longer available, product of comparable cost. Replacement carpet is pro-rated based on the number of years it has been installed.

The Usage Fee will be determined as a percentage of the original purchase price, as follows:

0-15 YEAR PRO-RATED SCHEDULE

- 1st - 5th Year 100% Coverage
- 6th Year 50% Coverage
- 7th Year 40% Coverage
- 8th Year 30% Coverage
- 9th Year 20% Coverage

10th-14th Year 15% Coverage

15+ Years 10% Coverage

This Warranty covers common household food and beverage stains. No carpet is completely stain-proof; therefore, this warranty excludes stains from: non-food and non-beverage substances and substances which destroy or change the color of carpets such as acne medication, bleach, caustic chemicals, insecticides, plants, plant food, iodine, very strong dyes, acids, feces, urine, vomit, etc. All warranties are defined as described by the manufacturers' definition of stain resistance, fade resistance, pet stain resistance, soil resistance, abrasive wear resistance, texture retention, manufacturing defects, antistatic limited warranties. The carpet must be correctly installed in a proper indoor installation following the Carpet & Rug Institute Residential Installation Standard CRI-105, using a suitable pad that meets FHA/HUD requirements. This warranty excludes any carpet which has been treated after installation with any silicone-based anti-soil treatments; any carpet in any nonresidential use; any carpet subjected to abnormal abuse or abusive conditions; and damage due to the application of improper cleaning agents. Failure to follow recommended carpet care and cleaning instructions as recommended by the manufacturer may result in damage to your carpet that will not be covered by your warranty.
